Stephanie Butler named 'General Manager of the Year'

Chanhassen, MN (October 26, 2016) - Ledgestone Hospitality, a leading hospitality management company, has spent the last seven years building a strong and competitive portfolio featuring varied brands and destination markets around the country. This success could not have been met without the hard work and dedication of each and every one of the General Managers over the years. During the annual managers' budget meeting on October 12, 2016, Ledgestone Hospitality announced Stephanie Butler as company's 'General Manager of the Year'.

Stephanie joined the Ledgestone team in October of 2009, as a Housekeeping Supervisor in Coralville, IA. Stephanie worked her way through the Front Office and became a Task Force Manager for Ledgestone. Moving to Cedar Rapids, Stephanie became General Manager of the Baymont Inn & Suites in 2013. Her professional expertise in operations, sales, and customer service, earned her the opportunity to join the pre-opening team at the Hampton Inn & Suites in Chippewa Falls, WI, in 2014 as General Manager. She opened the hotel in March of 2015 to glowing reviews from guests.

With over twelve years in the hospitality industry, Stephanie has experience working in most every department of a hotel. "Managing an industry-leading brand such as Hampton Inn presents a diverse set of challenges and opportunities," said Stephanie. "I'm fortunate to have Ledgestone Hospitality's depth of experience to draw on. We have put a winning team in place at the Hampton Inn & Suites."

About the Hampton Inn & Suites

The Hampton Inn & Suites is one of the newest hotels in the Chippewa Falls/Eau Claire area of WI. This 86-room, four-story hotel features Hampton's *Perfect Mix Lobby* and was the first Hampton in the nation to open with a complete *Forever Young Initiative* interior. Amenities include a fitness room, saline indoor swimming pool, business center, 24-hour Treat Shoppe, free Wi-Fi, and a meeting room that can accommodate 50 people. The free hot breakfast features eggs, bacon or sausage, waffles, yogurt, fresh fruit, oatmeal, pastries and more.
