

Ledgestone Hospitality named to Top Third-Party Hotel Management Companies

Hotel Management (Vol. , No.) March 2012 – The leading hospitality news authority since 1875 has once again recognized Ledgestone Hospitality, LLC, a leading Minnesota based hotel management & services company, as one of the Top Third-Party Hotel Management Companies in the United States. In 2011, the company was ranked at 108; and, after one year, they moved up to 97.

“To be listed amongst all of these prestigious companies is an honor. We are dedicated to providing exception value and service to our owners and staff members. We have built our reputation by exceeding the expectations of both guests and owners. Our energy is focused on creating better hospitality services for our guests, and improving investment returns for our owners. In doing so, we continue to grow as a company; we currently manage 22 hotels in eight states,” stated Ken Garvin, President of Ledgestone Hospitality, LLC.

Led by industry veterans with more than seventy five years of combined experience, Ledgestone Hospitality, LLC was created out of an exciting opportunity to bring together a collection of passionate hospitality professionals. Ledgestone Hospitality, LLC is a fully integrated hotel and property management company that was established to manage high quality hotel properties in the full service and upscale limited service segments. With such a diverse portfolio, our experienced hospitality professionals consistently add value to their properties by using best practice management techniques, sophisticated systems and advanced analytical tools. The growing collection of properties throughout the United States, include brands such as Hilton, Wyndham, Carlson, AmericInn, and GrandStay, as well as the four-star boutique hotel, La Bellasera Hotel & Suites located in the Central Coast of California. Ledgestone Hospitality, LLC currently manages hotels in California, Iowa, Kansas, Michigan, Nebraska, Oklahoma, Colorado, and Minnesota.
