Ledgestone Acquires Management of Hampton Inn, Fond du Lac, WI

Chanhassen, MN – November 10, 2015 – Ledgestone Hospitality, LLC has been selected to operate and provide pre-opening services for the new 73 room Hampton Inn & Suites in Fond du Lac, WI. The hotel is owned by A2N2, LLC and is expected to open in Spring 2016.

Over the past several decades, our team has successfully launched new hotels in mid sized markets and we'll apply all of our talent and proprietary systems to achieve superior guest satisfaction and operating results for this new destination, says Ken Garvin, president of Ledgestone Hospitality, LLC one of the nation's leading third party hospitality management firms.

The Hampton Inn & Suites is conveniently located off Hwy 41, on the south end Lake Winnebago. The hotel is within proximity to several major corporations and local attractions.

The hotel features a fitness center, indoor pool, and daily continental breakfast buffet. Guests are able to stay connected with complimentary high speed Wi-Fi and a full service business center for printing, faxing and copying.

The Hampton Inn & Suites brings the total managed portfolio to 21. "We are excited to deploy our management services including sales & marketing, cost controls, advanced hospitality internet marketing and other proprietary efforts that will result in optimal operational efficiencies. Having led a national hospitality brands management division we will bring Midwest cost controls and advanced marketing capabilities to the property. This Hampton Inn & Suites will compete very effectively once all of our systems are in place and we are excited to work with such a fine group of local property owners. Our goal is to grow the number of properties we manage in Wisconsin. Ledgestone Hospitality is an award-winning hospitality management company with offices in Chanhassen, MN and Scottsdale, AZ. We are a full service, turnkey hospitality Management Company with expertise in traditional management, new developments, rebranding and private label creation.
